Report of the Board of Directors and President

Since 1949, ACU of Texas has provided excellent member service and has added products and services that enhanced the lives of our membership and surrounding communities.

In 2019, loans grew to \$316,359,361, and our assets finished the year at \$418,813,341. With our 15 branch locations and our online account opening process in our Member Access Center, we service more than 40,000 Members and 30,000 households. Our field of membership has expanded to include anyone who lives, works or worships in Austin, Brazoria, Burleson, Fayette, Galveston, Harris, Lee, Waller, or Washington Counties or within a 10-mile radius of one of our branch locations.

We are proud to continue offering products and services specifically designed for our Veterans and First Responders. We finalized the relocation of our Pearland Kroger branch to a freestanding location near the Pearland-Friendswood border during the first week of 2019. Our branded Mascot Cards, which provides dollars to our local High School Education Foundations, is now used in 15 different schools with more scheduled in 2020. Finally, we completely overhauled our mobile banking and online banking to a completely digital experience that will launch in early 2020 and provide an incredible user experience. This new digital experience is one more step we are taking to use technology to help make banking more convenient for our Membership.

Our Marketing and Business development teams were hard at work promoting ACU of Texas in the community with over 60 events hosted including lunches for our local Veterans groups, first responders and non-profits. In May, 2019, in conjunction with a local promoter, we are now hosting our very own Farmers Market the last Saturday of every month. The market showcases and promotes over 30 local vendors for our community.

Through our CUSO, CU Financial Group, LLC, our insurance program, now stands at over \$31 million in our book of business. CUFGE Keystone Realty Group, had over 75 real estate closings in 2019. Through our non-profit division of CUFGE, Keystone Community Development Corporation, we provided Homebuyer Education classes to 42 attendees, provided numerous grants to modify Veteran's homes and continue to provide access to numerous local veteran service organizations through our

SERVE network which has been helping local Veterans and their families since August of 2015.

As we continue to grow, we ask for continued active participation, and in return, you can be sure you will see progressive, quality financial services and an unwavering dedication to you, our member owners.
